Putting a Friendly Face on Facial Protection

COSMIC NEE-NOGGS™

The Cosmic Nee-Noggs have been designed and extensively researched to be pleasing, likable, and fun for children between the ages of three to eight. The staff can wear the facial products and use the Nee-Nogg devices with the children to help them feel more comfortable, less frightened, and a bit more playful.

In addition to the added patient care aspect, the facility can use the Nee-Noggs to promote themselves as the best place to bring children for high quality yet comfortable, non-threatening care.
