

Prevention is the best medicine.

Safety and security for patients

Prevention is the best medicine: both for your patient and your bottom line. Now you can protect both with DeRoyal's new Silver Line of Surgical Foam Positioners.

These cost effective positioners provide cushioning for patients during procedures, keeping them protected and comfortable while achieving appropriate body alignment for clinician accessibility.

This comprehensive, disposable line contains all your favorite frequently used foam configurations for your most common surgical cases.

- Economically priced
- Decreases the risk of pressure sores and tissue breakdown
- Reduces possibility of prolonged hospitalization
- Maximizes comfort using strategic cushioning on pressure points
- Optimizes position and accessibility for surgical procedure
- Reduces chance of injury during movement

Diverse. Dynamic.
